Some vets make medicine for pets. Dogs will take medicine that tastes like cheese. Cats will take medicine that tastes like fish. Birds will take medicine that tastes like fruit. What do you think medicine for rabbits tastes like?

1. Do you think this story could really happen? Why or why not?
2. Tell what happens to Bix from the beginning to the end of the story.

3. Find the word in the story that ends in x.
4. If you had a sick pet, like Bix, what would you do?
