Cam's class has Arts and Crafts Day. The kids bring things they made to show the class.

Kay made a wreath with her mom to hang on her wall. Her wreath is nice. It smells sweet.

Len uses string for your wrist.
He ties many knots.
He gave a short strand
to each kid in class.

Jill baked cakes.
She baked with her dad.
Her dad has a knife to
cut the cakes.

Jane wrote a skit.
She shows her skit
while the class eats cake.
Her skit is funny.

Don painted a ship.
His art looks real.
Don's mom put
it in a frame.

What did Cam bring?
Cam knows how to knit!
He has a bright
scarf that he made.
