Cass is going to see Kate and Mike.
They live on a farm.

Cass sees kittens in the barn.
She pets them but not very hard.
That could harm them.

Mike takes corn from a cart.
Cass and Kate feed it to hens
and chicks in the yard.

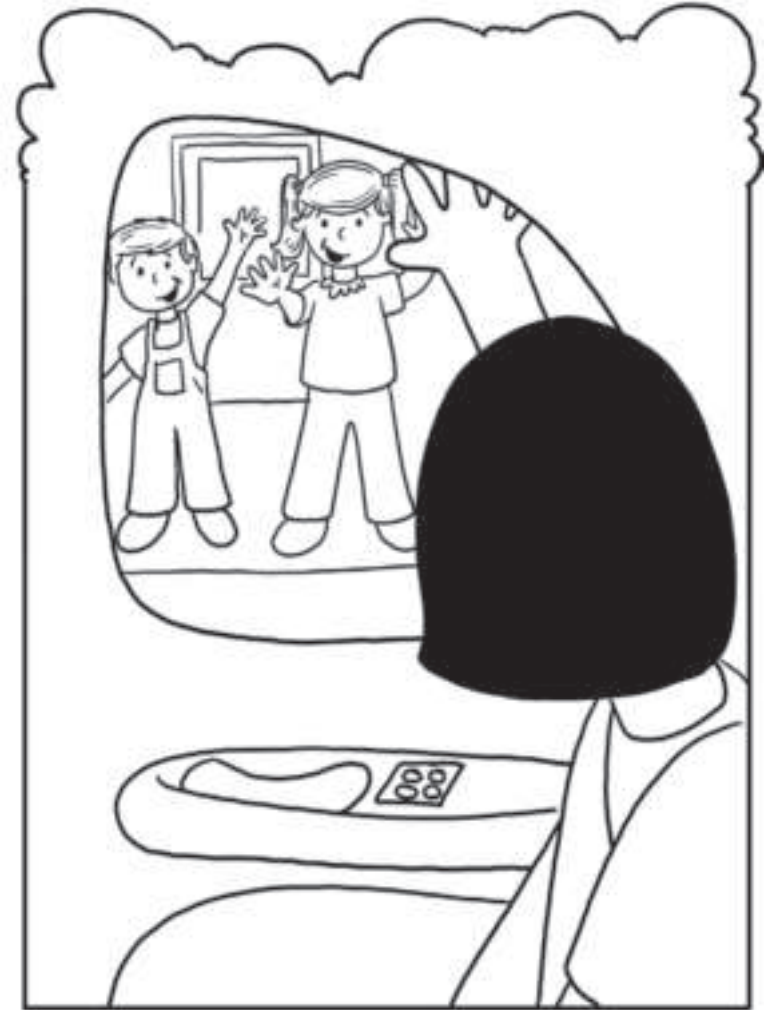

Smart pups bark at sheep.
The pups make them go in the pen.

As it gets dark, Cass, Mike, and Kate look up. Every star shines.

Mom honks the car horn. Cass runs and gets in the car.

Cass likes the farm.
The best part is
seeing Kate and Mike.
