Let's play hide and seek.
Let me look for you.
Hide out of sight!

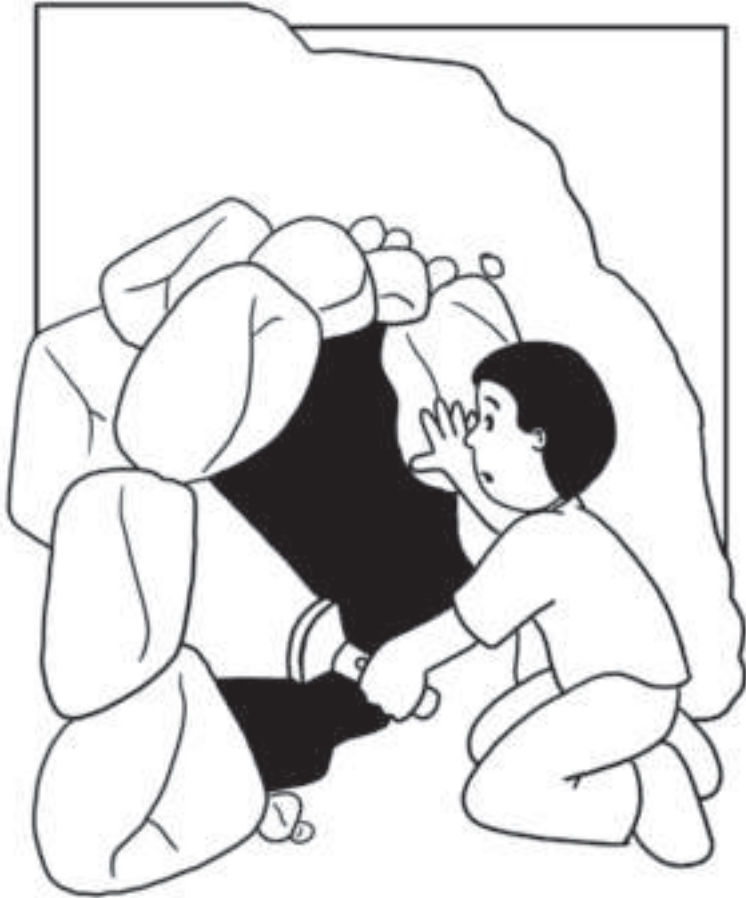

Try to hide in this box.
The lid will not close.
It is a tight fit.

Try to lie under that rug.
No, it is not big!
You are not out of sight!

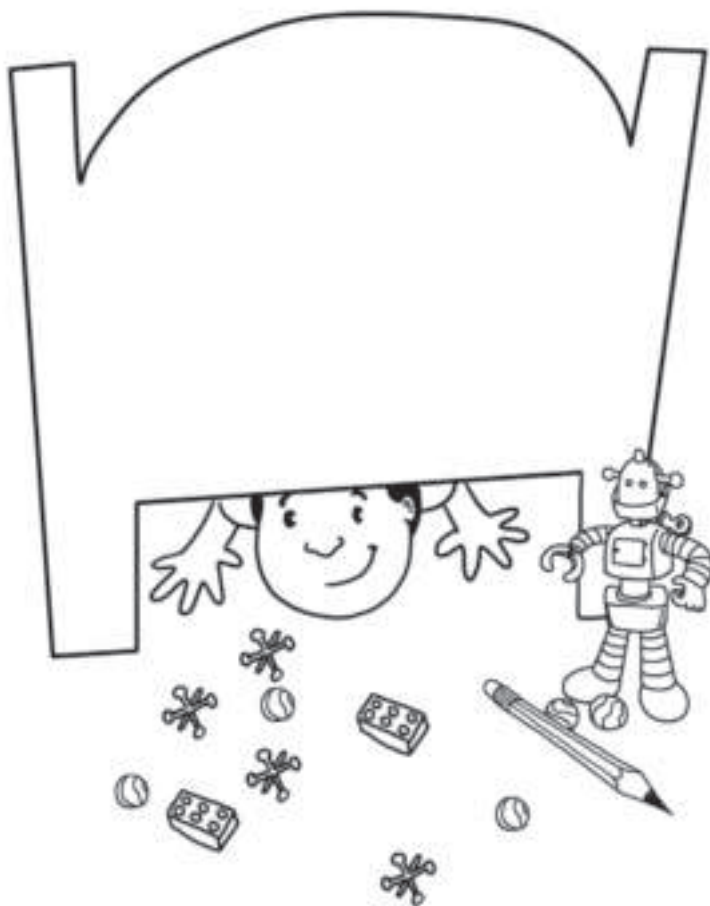

Can you hide in this tree?
Sit on that branch.
No, it is too high.

Inside this cave might be fine.
No, there is no light.
It is dark like night!

By this shelf might be fine.
No, I can see you in the light!
Get out of sight!

Under this bed might be fine.
I will not see you.
Yes, this is just right!
