My family camps out.
We go to the woods.
We cook outside
and sleep in tents.

Last time we went,
we left at sunrise.
Dad, Mom, Ben, Jake, and I
got in our car.
I slept all the way.

The woods are in a park.
That park is named
Grand Lake State Park.
I liked it very much.

The leaves on the trees
were nice colors.
The lake looked fine
in the sunshine.
We all smiled.

A map in our book
showed walking paths.
We went hiking.
Dad set up our tents
and made good lunches.

We raced to the big lake.
Mom said we could
go fishing the next day.
We got a huge fish!

Our camping trip
was fun.

We cannot wait
for our next camping trip.
