Lee planted his seed.
"Sleep well, seed,"
Lee said.

He checked his seed.
He gave it water.

In a week, his plant shot up!
It was green.

His mom said,
"That plant grows fast.
Is it a weed?"

"It is a tree,"
Lee said with pride.
"It will be big."

It did grow big.
It gave good shade.

“That seed made a fine tree,” Lee said with a sweet smile.
