Dinosaurs made a home
down there.

We'll look at dinosaurs together.

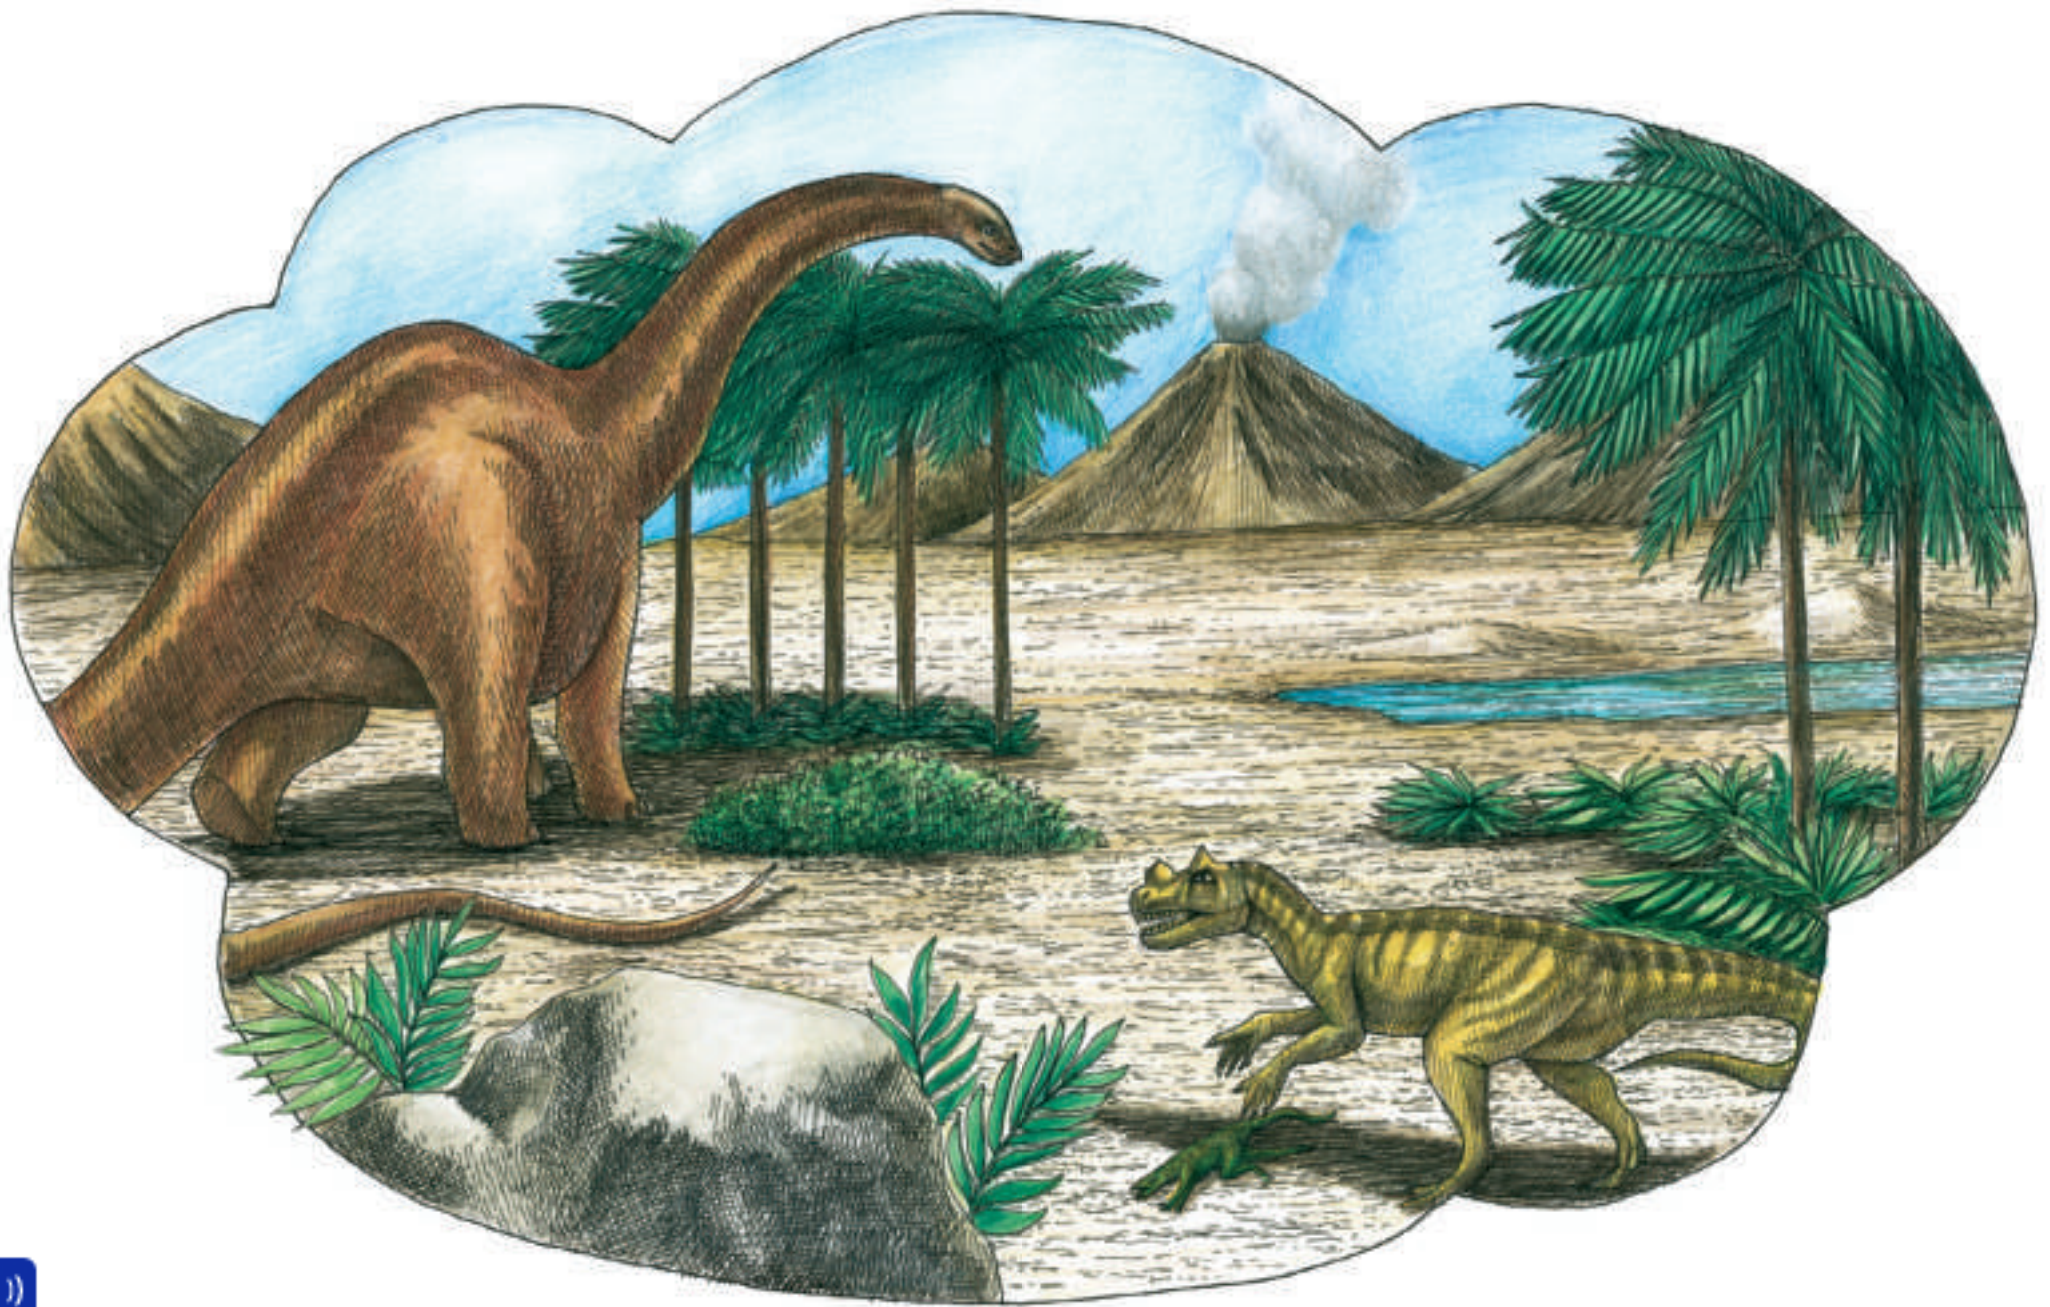

Dinosaurs had bones inside.
We'll look at dinosaurs together.

Dinosaurs had bones and teeth.
We'll look at dinosaurs together.

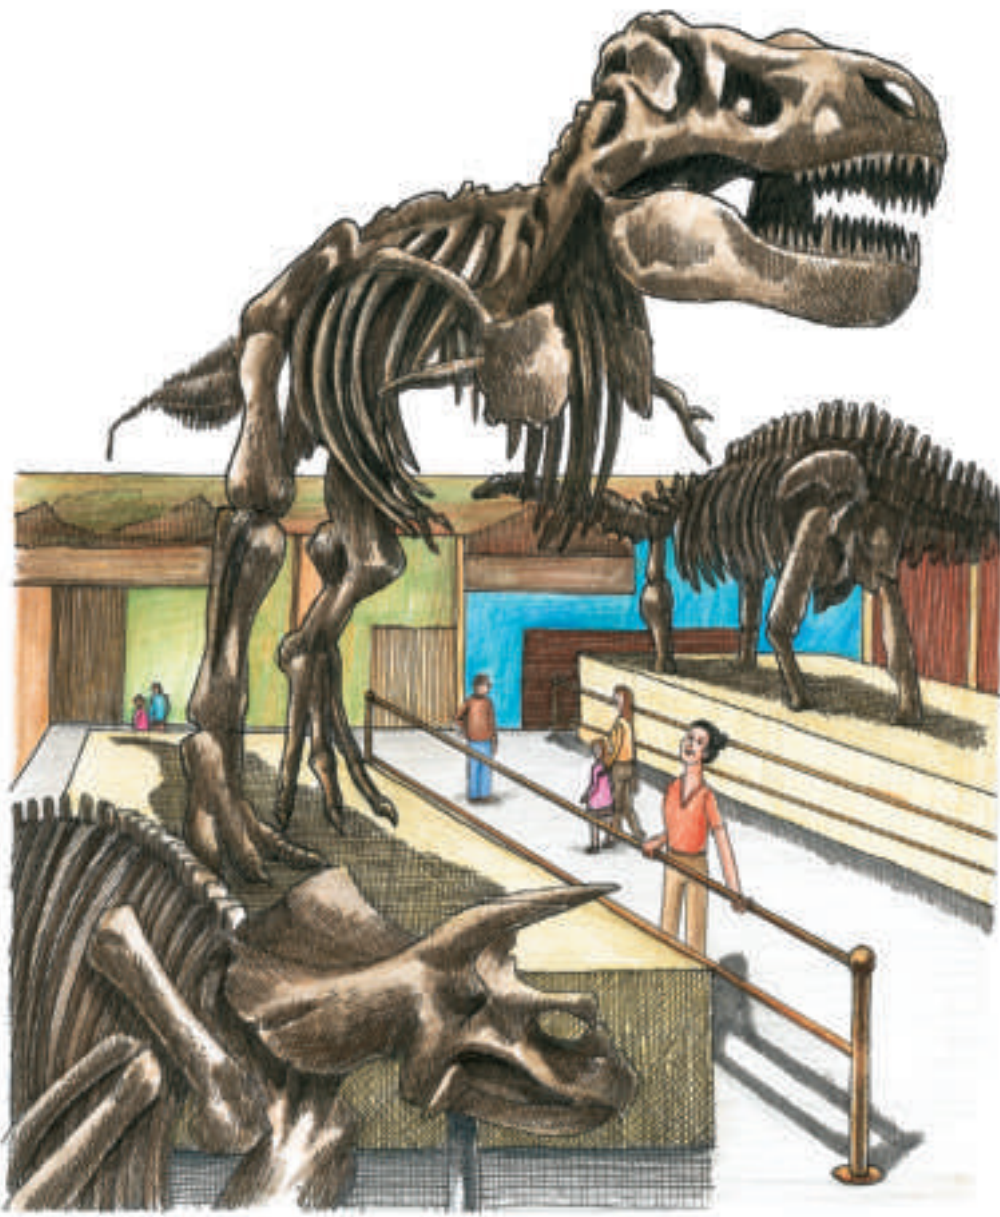

Dinosaurs like this ate plants.
We'll look at dinosaurs together.

Dinosaurs like this ate meat.
We'll look at dinosaurs together.

Think and Share

Read Together

1. Which kind of dinosaur food does the book talk about first? Which comes next?

First

Next

2. Look at the picture on page 3. How do we know that dinosaurs made a home here?
3. Find the contraction that uses the word We as the base.
4. Look at the picture on pages 6 and 7. Point to the dinosaur that ate plants, and then point to the dinosaur that ate meat.

 Dinosaurs don't live now.

But we can still

look at them together.
