Ken rushes down the steps.
All classes are going on trips.
His class is going to see some pets.

Buses line up.
Kids get on them.
This is it!

Patty has dishes to feed a rabbit.
Nick sees frogs.
He jumps like one.

Meg makes a fish face at fishes.
Jake sees a snake.
He steps back fast.

Jen kisses a puppy.
Kate said, "It is not a fox.
Foxes are not pets."

Ken sees a kitten.
He wishes that he had a kitten.

We must go back.
We had fun with the pets.
